

Policy Overview

To ensure evidence based care with quality resources, payment for all speech pathology services must be received within 24 hours after your scheduled appointment. If payment is not received, sessions may be placed on hold and services terminated.

Payment Requirements

- Payment for each session must be received within 24 hours after the scheduled appointment.
- Accepted payment methods include cash or debit card via a secure SMS from 'Tyro Health Online'.
- If payment is not received within the 24 hour window, your child's future appointments will be placed on hold and therapy will be paused until payment is received.
- If an assessment report is required, payment is to be made prior to Chat-A-Box Speech Therapy PTY LTD providing the document.

Payment and Cancellations/Non Attendance

- A late fee of \$50 will apply if appointments are cancelled under 24 hours due to short notice.
- Appointments can be rescheduled if your child is unwell, the next available time slot will be provided.
- The full appointment fee will apply if the clinician attends the appointment location and your child is not present or is not permitted to attend the session by the facility (eg. at school, preschool, daycare or home).

Consequences of Non Payment

- If payment is not made within 24 hours of the scheduled appointment, therapy appointments will be placed on hold and services terminated.
- Your child's appointment slot will then be held for an additional 48 hours until payment is received.
- Speech therapy will resume only after payment is received and a new appointment is scheduled, based on the clinician's availability.
- Delayed payment may result in rescheduling difficulties, we cannot guarantee availability for the originally appointment time. Your child may be placed on the waitlist.
